1. OPC memo, dated 16 November, signed by [REDACTED] used as supporting document for '52 increase requests [REDACTED] additional Headquarters slots. It further states that OPC is authorized [REDACTED]

2. Attached letter, dated 18 Jan 52 states OPC is authorized [REDACTED] IAC slots.

3. Our monthly statistical report shows a departmental authorization of [REDACTED] slots. This figure was a carry-over from previous reports.

4. I have never seen anything in writing authorizing Departmental slots. I have seen requirements submitted for increases declaring (in some cases) need for Headquarters personnel. Do these documents then act as Headquarters Authorizations when an increase is approved?
